Golfers,

We will be playing a Ryder Cup Tournament for our Annual Veteran's Day Golf Tournament. We will play foursomes. You will choose who you would like to play with in your foursome (two man) on the front nine doing alternate shots with that individual. (During the front nine you cannot swap out players) once you start playing. The Front nine will consist of playing alternate shots. You are playing against each other in the 2 ball alternate shot but you will only write down one score, the best score (choose the worst score at your own team's risk), as a four man team. If you are a single we will try to pair you up with a foursome.

On the back nine you will play a two man scramble with the same partner or you can alternate for another team member as on the front nine. (During the back nine you cannot swap out players) once you start playing. You are playing against each other in a two man scramble in your foursome but you will only write down one score, the best score, for your four man team. (Depending on how many players we have we may play two man teams instead of foursomes)

The fee will be **\$46.00** which will include lunch after your round of golf. There will be **1st, 2nd and 3rd** place prizes and additional prizes. Every golfer will receive a goody bag which includes the following:
