* This ethics audio conference will be somewhat different from past programs. The speaker will discuss ethics in the workplace and will explain the thinking and understanding behind elements of ethical behavior. Real examples will be used as well as describing the differences between being ethical and legal. Other topics will include organizational tone with examples from the top of organizations, risk-taking, the need for written policies, the requirement for uniform enforcement and other requirements of the federal code of ethics.

“Advancing Government Accountability”
