Golfers,

Front Nine

We will be playing our 25th Annual Veteran's Day Golf Tournament. We will play foursomes. 2-Person Best Ball" is a best-ball competition format in which the teams consist of two players. Played as one team vs. another, it's simply another name for Four Ball. You are playing against each other in the 2 ball alternate shot but you will only write down one score, the best score (choose the worst score at your own team's risk), as a four man team. .

Back Nine

A scramble works this way: Each player on the team tees off. The best of the four shots is selected, all players move their balls to that spot and play their second shots. The best of the second shots is selected, all players move their balls to that spot and play their third shots; and so on until the ball is holed..

The fee will be **\$62.00** which will include lunch after your round of golf.

There will be **1st, 2nd and 3rd** Trophies and other prizes.....

EACH PLAYER RECEIVES A FREE \$5 GOLF SHOP GIFT CARD, (1) FREE GOLF PASS TO BOTH RIVERCHASE AND RIDGEVIEW RANCH.

Fees must be in NLT 1 November 2011
